Google Classroom Golden Rules

I will only write respectful and sensible comments on Google Classroom

I will write using the correct English on Google Classroom by writing in full sentences using capital letters and full stops

I will report anything that is worrying me on the Digital Worry Box

I will keep to a routine by starting my work at a good time in the morning, taking a break between lessons and making sure I do some exercise everyday

I will keep myself safe online by being SMART online which includes not sharing my passwords with anyone

I will always try my very best to complete as much work as I can on Google Classroom everyday

Be Smart on the internet

S SAFE

Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

M MEETING

Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

A ACCEPTING

Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

R RELIABLE

Information you find on the internet may not be true, or someone online may be lying about who they are.

T TELL

Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

You can report online abuse to the police at www.thinkuknow.co.uk
